

WEEKLY ROCK AND ROLL RESEARCH

FOR MUSIC APPRECIATION

To date, there are:

- ♪ 312 total number of Rock and Roll Hall of Fame Inductees
- ♪ 749 total number of people inducted into Rock and Roll Hall of Fame
- ♪ 113 total number of groups inducted into the Rock and Roll Hall of Fame
- ♪ 30 total Number of Induction Ceremonies

Every week, each music appreciation student will research a different artist / band inducted into the Rock and Roll Hall of Fame. Assignments will be due each Friday by 7th Period (unless we don't have class on Friday, then the assignment will be due Thursday.) A word document will be emailed to all students with specific guidelines, criteria, and research. Please EMAIL your weekly research to Mr. Zeiler at mzeiler@goldenrams.com prior to 7th Period with the completed word document. Once emailed, you will then present your artist / band in class.

Please remember that all pictures, music recordings, and facts must be school appropriate!

As a class, we will begin with the year 1986. Each week, we will research a new induction year. Students may not choose the same artist / band as another student and students may not repeat any previously researched artists / bands.

This assignment will be a worth a total 30 points each week!
