SIX BIG IDEAS FOR MUSIC

- 1.) The skills, techniques, elements, and principles of the arts can be learned, studied, refined and practiced.**
- 2.) Musicians use tools and resources, as well as their own experiences and skills, to create music.**
- 3.) Music provides a medium to understand and exchange ideas.**
- 4.) Humans have expressed experiences and ideas through music throughout time and across cultures.**
- 5.) Musicians use both aesthetic and critical processes to assess their own work and compare it to the works of others.**
- 6.) Composers and musicians can use works in music to communicate ideas that challenge, influence, or enrich cultural norms.**
